Hi Gwen –

I don't know yet, I think we have folks there now gathering info on exactly what happened.

I cc'd Cynthia Peterson (the community involvement coordinator for both sites)

Cynthia –

when we have the details of the mine release from the Animas area can we provide that info to the Willow Creek Reclamation Committee?

Thanks – Joy

Hey Joy,

I am wondering if you can share the details of what happened in the Animas with the mine cleanup?
